The new multiroom Sounddeck with Dolby Atmos

For music and movies

Experience your favourite movies, concerts, sporting events and console games as a thrilling sound experience with our brand new Smart Sounddeck 100 multi-room speaker. With Dolby Atmos certification, 4K and 3D compatible HDMI connections, Chromecast built-in and Spotify Connect, the Smart Sounddeck 100 becomes the main actor in your home - including room-filling home cinema sound. You can stream your favourite music throughout the house with Chromecast built-in and Spotify Connect or alternatively listen to music via Bluetooth from your mobile phone or tablet. With its powerful drivers, the Smart Sounddeck 100 is a perfect solo entertainer. With our wireless subwoofer Smart Sub 8 and additional models of the Canton Smart series, you can easily set up your dream home cinema - stunning surround sound is guaranteed.

Virtual Surround: Sound from all directions

The Smart Sounddeck 100 is a real all-rounder and already delivers Dolby Atmos surround sound as an all-in-one device. You'll feel like you're in a movie theater and experience room-filling sound from all sides, drawing you right into the action. Our Virtual Surround technology allows you to experience real cinema sound without having to connect additional speakers. Thanks to the four HDMI connections with ARC and HDCP2.2, your razor-sharp TV picture in Ultra HD comes to life with thrilling sound. The Smart Sounddeck 100 is compatible with Dolby Atmos and DTS HD multi-channel sound formats to reproduce realistic 3D sound. The support of the video format HDR (High Dynamic Range) ensures a grandiose picture quality. The Smart Sounddeck 100 offers a clear on-screen menu for easy setup and operation.

Music Streaming - Simple, everywhere

You can use the Smart Sounddeck 100 as a solo entertainer or as a member of a home network. Stream music wirelessly from your Smartphone, tablet or PC to the Sounddeck 100 without interruption, and the integrated Chromecast built-in technology lets you listen to your favorite music in high quality from more than 200 partner streaming services via WLAN. Spotify Connect is also built in, with the option to store your favorite playlist in one of the three memory locations on the sound deck and start it at the touch of a button. Expand your Smart Multiroom System over time, perfectly adapted to every living space situation. The Canton Smart Series delivers top sound for everyone - easily and everywhere.
