## GLE 50 S2

Our GLE 50 S2 centre speaker wants to be the centre of attention: with its new 154 mm Aluminium Titanium Black (ATB) bass-midrange drivers, it performs precisely and dynamically at all times in a closed cabinet. With the support of the 25 mm tweeter with new Aluminium Black technology (AB), it is perfectly equipped to optimize the sound of your home theater system. The outstanding technical equipment ensures great listening pleasure with the best Canton sound for a long time.
